

TOWNSHIP OF GREENWICH

420 WASHINGTON STREET GIBBSTOWN, NEW JERSEY 08027

TELEPHONE: (856) 423-1038 FAX: (856) 423-2989

NOTICE:

The Township of Greenwich is closely monitoring the Novel COVID-19 (Coronavirus) and all available information from the Center for Disease Control and World Health Organization. The Administration and Emergency management have been in contact with the County and State and participating in regular tele conferences to stay informed. The Township of Greenwich will continue to monitor and provide information as it is given to us.

We will be closing public access to All of the Township Buildings until further notice beginning Tuesday March 17, 2020. Township employees will still be working as normal, to maintain our normal services to the public. As this situation with the COVID 19 is always changing, we want to assure the public that we will continue to maintain our essential services of police and fire coverage, water supply treatment and waste water (sewer) treatment services, and maintain recycling and trash removal.

Since all Municipal buildings will not be open for public access, services can still be accessed through alternative means.

All taxes, water and sewer payments should be placed in the outside drop box, mailed to the Township or submitted online from our website www.greenwichtwp.com . Information on other services can also be obtained by visiting our website or calling (856) 423-1038.

We will continue to keep you informed on the situation through our website, www.greenwichtwp.com and Facebook pages. Follow us on Facebook: <https://www.facebook.com/Greenwich-Township-1582029218703597/>

Thank you for your patience and understanding during these unprecedented events. Please know that we are working tirelessly to ensure the health and safety of all of our residents and employees. Feel free to contact us if you have any questions.

Mayor George W Shivery, Jr. can be reached at mayorgshivery@greenwichtwp.com or contact Administrator Jeffrey Godfrey at jgodfrey@greenwichtwp.com or call 856-423-1038 x 211
