## A message from Mayor Vince Giovannitti

The message below is the speech that I gave at the 2025 Greenwich Township reorganization meeting. The mayor is bound by ordinance to give an address at the reorganization meeting.

I would like to thank Council President Joe DiMenna, Councilman Tony Chila, Councilman Bryan Nastase, and Councilwoman Wanda Tranquillo for their hard work and cooperation in 2024. They worked very hard and were committed to continuing to make Gibbstown the great place it is to live, work and raise a family. All our work together resulted in many accomplishments for a better quality of life for our township residents.

I want to personally thank Bryan Nastase for his service to the township as councilman and I wish him luck as fire chief.

I would like to welcome new council member Mr. Lee Campbell. I look forward to working with you and I am sure you will be an asset to the all the residents and township administration.

I would like to thank Chief Damminger and the Police Department for their dedicated and fearless service to our community. We are all so thankful and feel safer knowing you are all committed to constant training to improve all aspects of the police department.

To Superintendent of Public Works Bob Schoch and all the employees of our Public Works Department who keep our town running, and looking beautiful, from collecting our trash, helping our residents with sewer backups, and keeping our parks and streets in great shape. Please know your efforts are greatly appreciated and don't go unnoticed.

To Chief Nastase and members of our Fire Department, thank you for all you do, from entering burning dwellings and assisting other towns. The weekly drill is proof that our fire fighters are the most trained and educated in New Jersey. We are safer knowing you are always there for

## A message from Mayor Vince Giovannitti *Continued from cover*

the residents of Gibbstown.

Thank you to all our volunteers that serve on the various committees within the township. Your commitment and work put into all the activities you provide for our residents is much appreciated. The township is always looking for volunteers. If you would like to volunteer, please call the municipal building and we will find a committee that best fits your interest.

Business and Economic Development is key to revitalizing our growth in Greenwich Township. We are contacted very often from businesses and developers showing real interest in locating to Gibbstown for various areas of business and development. We will continue to keep the lines of communication open with our business owners through our business mixer events, and to provide any assistance to them in any way. We want everyone to know that Gibbstown is "Open for Business".

We were very happy that Grocery Outlet opened on September 12, 2024. I want to thank our residents for their patience as they waited for the store to open. It's very nice to see a full parking lot at the Gibbstown shopping center, once again.

In 2025 the township will have to find a new leader to the business and economic development committee. Mrs. Vicki Antonini, who led the business and economic committee, did an excellent job communicating with business owners and she was relentless in her pursuit of new businesses to come to Gibbstown. I wish Vicki all the best in her new venture. She will be sorely missed.

There are many projects that are ongoing and many in the planning stages. The projects that the township will be undertaking are the painting of the water tower, replacing the dock on Floodgate Road, infrastructure upgrades to Memorial Avenue Park, roof replacement of the storage at the municipal garage, upgrades to the courtroom that could include a new roof, windows, AC units, and a new lift. The township has to address the Infiltration and Inflow into the sanitary sewer system, the hockey, tennis, and basketball courts need to be resurfaced, the township is working with East Greenwich to have an interconnect for emergency water services, and finally, municipal complex building upgrades must be addressed.

With the number of projects that are planned, I found it necessary to appoint a council liaison to coordinate them. I consulted with Administrator Godfrey, Superintendent of Public Works Schoch, and Council President DiMenna and we all agreed this is a necessary position. I will be naming Council President DiMenna Municipal Projects Coordinator. Council President DiMenna will still be on the finance, building and public safety committees.

Our fourth annual Gibbstown Day was very successful, and the Gibbstown Day committee will continue evaluate the event to make it even better for 2025.

The Recreation Committee continued with the Easter Egg Hunt, the children's fishing contest, and the Halloween "Boo Bash" with Clonmel United Methodist Church. The recreation committee continued the youth kayaking lessons at Silvestro Lake. The third annual Gibbstown Bunny Run 5k on Easter Eve was a success. The fourth annual Gibbstown Bunny Run will be held on Saturday, April 19, 2025. The Bunny Run is quickly becoming one of the most popular Spring 5k races in South Jersey.

December was full of well attended events with our Special Events Committee's Annual Tree Lighting, and tree decorating contest. The Gibbstown Giving's Christmas Car Parade was excellent and enjoyed by our residents. In 2024 the tree lighting and the car parade were once again combined into one event. The lighting of the township Christmas tree in Memorial Park was enjoyed by everyone who attended.

The painting of the water tower is progressing and should begin in March. The painting project is going to be difficult. The small standpipe tower has been out of service for over 25 years so the township engineer has come up with a plan to make sure water pressure is maintained throughout the township. All residents may see lower water pressure during the painting project and there may be water restrictions during the painting of the tower. The collective sacrifice of the residents will be worth the reward when the tower is finally painted.

The accomplishment that I'm most proud of is the fact that the township set goals and met goals without raising the municipal purpose tax. In fact, the municipal tax rate has gone down or stayed the same for the past four years. This could not have been done without the commitment of the department heads keeping their budget requests to a bare minimum. The last four municipal budgets have been budgets of need not wants. I appreciate the hard work of our new CFO Betty Jo Paglicelli, township administrator Jeff Godfrey, and Budget Chairman Council President Joe DiMenna. I would also like to thank the township auditor Bowman & Company led by Mike Welding. The township will attempt to continue with this financial plan in 2025 but, as you know, some of the best made plans need to be amended.

To ease the burden of the tax payers, Mayor and Council approved the hiring of Triad & Associates to assist in the procurement of county, state, and federal grants and low interest loans. As you know grant money doesn't need to be repaid. Triad assisted the township in acquiring a zero percent interest loan from Green Acres to begin infrastructure upgrades at Memorial Avenue Park.

Some other highlights of 2024 include the Hometown Hero banner program. This program was a coordinated project with the Anthony Calista VFW Post. The township and the VFW will continue this program in 2025. The banners will fly from September through November.

The township was awarded a New Jersey department of community affairs firefighter grant. The grant was used to purchase turnout gear.

The township received a Local Recreation Improvement Grant in the amount of \$77,000. The grant will be used to replace the fishing pier and add a kayak launch on Floodgate Road.

In 2025 the township will finish repaving Ladner Avenue. Myrtle Avenue and South Walnut Street are scheduled to be paved this year.

As Mayor, my first and most important responsibility is to serve the residents of Greenwich Township and to continue to improve the quality of life for them, with help from our local officials, as well as department heads and employees. Thank you to our Administrator, Jeff Godfrey and our office staff for keeping the day to day operations and serving our residents daily, a top priority. To our CFO Betty Jo Paglicelli, and Township Clerk, Holly Tropea you've done a great job this past year, we appreciate your efforts.

To keep yourself informed please follow my Instagram account @mayorvincegiovannitti or subscribe to my YouTube channel Mayor Vince Giovannitti for updates on township news.

I am very thankful and grateful to serve as your Mayor and I thank you for this honor.

I would also like to thank my wife and kids for their support and understanding as my responsibilities as Mayor take up valuable family time.

Please be safe and stay well in 2025. Remember, less Facebook and more face to face. We get done more with we than me. I wish you Peace and Love throughout the year.

## From the Desk of the Finance Office

The Township hired a new CMFO in September of 2024, Elizabeth (Bette Jo) Pigiacci. Bette Jo has an accounting degree from Rowan University and was a former auditor before working in local government for the last 20 years. She resides in Mickleton with her husband Michael and 21 year old twin daughters. The Township ended the year financially sound. As we prepare for the 2025 budget season department heads are requesting products and services needed to continue to serve the residents of Greenwich and comply with regulations from the State. The 2025 Township budget will be introduced on or before April 15, 2025.

## Greenwich Township Economic Development Council News

### Our Mission:

The Business and Economic Development Council shall be responsible for promoting economic development in the Township of Greenwich and is authorized to recommend and establish policies and programs to promote economic development. Establish, maintain and promote the Township through positive public relations and marketing campaigns. Implement programs, plans and mechanisms to attract and maintain commercial businesses in Greenwich Township. Assist existing businesses in the promotion, maintenance and furtherance of their business objectives. Recommend strategies to maximize the Township's economic growth and create job opportunities for the citizens of Greenwich Township. Coordinate, when feasible, the Township's economic development policies in concert with those of the Gloucester County Municipal Economic Development Council. The Economic Development Council held a "Business Mixer" on October 17, 2024 at The Local Bar & Kitchen, who served up a delicious and spectacular menu. We had about 25 business owners attend. Sherry Tranquillo, Chief Executive Officer, and Gracia Cassidy, Executive Vice President of the Fort Billings Federal Credit Union of Gibbstown were our keynote speakers. Sherry and Gracia spoke about the credit union and all it has to offer. Thank you, Sherry and Gracia. Many new business owners attended and we had a great evening. Looking forward to the next one coming real soon.

## Gibbstown Day 2024

This year on Gibbstown Day, the department held a special drawing for local students to win the chance to have lunch with a police officer. The lucky winners joined officers for lunch at Broad Street School, Nehausney Middle School, and Guardian Angels School. It was a wonderful opportunity to build connections between our officers and the students in our community.

## Holiday Spirit

During the holiday season, Ptlm. Marcucci proudly participated in the “Shop with a Hero” event, spreading joy and making a difference for families in need.

## Sharing Our History

In January, Capt. Gurick gave an engaging presentation to the Greenwich Township Historical Society about the history of our department. The presentation, thoughtfully prepared by Det. Becker, highlighted the rich legacy and contributions of our officers to the community.

## Community Outreach

In February, members of the Detective Unit met with the Greenwich Township Senior Citizens Association to discuss important community issues. The unit also collaborated with Helping Hands Outreach to combat opioid abuse and reduce overdose-related deaths in Greenwich Township.

## Community Resource Fair

In November, Capt. Gurick and Det. Becker attended the Community Resource Fair at Broad Street School. It was a fantastic opportunity to meet with residents, connect with community members, and share valuable resources.

## Internet Safety Presentation

Also in November, Det. Becker had the honor of visiting Nehausney Middle School to talk with students about internet safety and the importance of protecting their privacy online. In today’s digital age, it is crucial for pre-teens to understand how to navigate social media safely and keep their personal information secure.

## Upcoming Events

- **Coffee with a Cop:** This spring, join us for casual conversations over coffee! Meet our officers and share your thoughts on community matters.
- **Junior Police Academy:** Our Annual Junior Police Academy returns this summer, offering an exciting and educational experience for local youth.
- **Cops and Bobbers Fishing Tournament:** This summer, do not miss our Annual Cops and Bobbers event, where kids can enjoy a day of fishing and fun with our officers.
- **Cops vs. Kids Basketball Game:** Get ready for our annual Cops vs. Kids Basketball Game! This fun-filled event is a favorite for everyone in the community, bringing laughs, friendly competition, and great memories.

## Available Resources

- **Special Needs Registry:** Our department proudly offers a Special Needs Registry to better serve individuals with special needs in our community. This resource helps officers respond more effectively during emergencies, ensuring the safety and well-being of all residents.

For more information on any of our events or resources, feel free to contact us—we are here to help! The Greenwich Township Police Department will share updates on their Facebook page (QR Code).

## FROM THE DESK OF CHIEF BRYAN NASTASE

The Gibbstown Volunteer Fire Department is very excited to talk about 2025. This year is our 125th anniversary. Over the past 125 years, some of the best men and women have taken part in continuing a tradition of protecting Greenwich Township and its surrounding towns. The countless hours of training, the lost hours of sleep all for the common goal, to save life and property. We have come a long way from passing buckets to putting out fires. The evolution of this department would take hours to explain. The feeling of being part of it, is like no other. Over the

past three years we have acquired some young volunteers that continually bring life back to the department, and the drive to move forward. In 2025 we will be taking some steps forward to create more opportunities and excitement for future volunteers. We are always looking for more firefighters. Please stop by any Tuesday night for an application. This will be an exciting year to start your journey. More to come in the next letter about our Anniversary celebration.

*Submitted by the Greenwich Township Fire Marshall/Official William Angelini*

### LEARN ABOUT FIRES

- Fire is FAST! In less than 30 seconds a small flame can turn into a major fire. It only takes minutes for thick black smoke to fill a house or for it to be engulfed in flames.
- Fire is HOT! Heat is more threatening than flames. Room temperatures in a fire can be 100 degrees at floor level and rise to 600 degrees at eye level. Inhaling this super-hot air will scorch your lungs and melt clothes to your skin.
- Fire is DARK! Fire starts bright, but quickly produces black smoke and complete darkness.
- Fire is DEADLY! Smoke and toxic gases kill more people than flames do. Fire produces poisonous gases that make you disoriented and drowsy.

### SMOKE ALARMS

A working smoke alarm significantly increases your chances of surviving a deadly home fire.

- Replace batteries twice a year, unless you are using 10-year lithium batteries.
- Install smoke alarms on every level of your home, including the basement.
- Replace the entire smoke alarm unit every 10 years or according to manufacturer's instructions.
- Never disable a smoke alarm while cooking -it can be a deadly mistake.
- Audible alarms are available for visually impaired people and smoke alarms with a vibrating pad or flashing light are available for the hearing impaired.

## Gibbstown Recreation Department's Sports Committee News

The Recreation Department's Sports Committee wrapped up their winter with a great Gibbstown Youth Basketball season and is now looking forward to a very busy Spring! This Spring season, the Committee looks forward to hosting their annual Kids Fishing Contest in May at Silvestro Lake Park and also assisting the various Spring Youth Sports in town including Gibbstown Little League Baseball, Gibbstown Girls Softball, and Gloucester County Union Youth Soccer. Gibbstown Little League Baseball & Softball Opening Day is scheduled for Saturday, April 5, 2025. For more information on these programs, please check the Township's website for specific contact information. As a reminder, any adult who wishes to coach/ volunteer to help with our Township youth organizations must complete a background check. Please email the Committee at [recreation@greenichtwp.com](mailto:recreation@greenichtwp.com) for more information.

Looking forward to the Summer & Fall months, the Sports Committee will also host its annual Kayak & Water Safety Event

in June at Silvestro Lake Park. This free event is a great program put on by our dedicated Broad Street School Physical Education Teacher, Dr. Steven Wehrle. This Fall, the Committee is excited to announce the inaugural season of Gibbstown Flag Football League! Gibbstown Flag Football is a coed league for ages 4 through 14. All games will be played on the Stanley Sarmiento Memorial Field at the North School Street Complex this Fall.

For any questions or issues, please reach out to the Sports Committee at [recreation@greenichtwp.com](mailto:recreation@greenichtwp.com) ! We are always looking for volunteers to help us make our town a better place to have fun so please reach out if you are interested! Please check the Township website at <https://www.greenichtwp.com/2152/Sports-Committee> for updated information on monthly meetings and event.

## Wilson/Thompson Families

The 1803 and 1806 documents are related to the establishment of Wilson's Inn at Thom(p)son's Point which was at the end of A-Line Rd. on the Delaware. This was Thompson Avenue before the railroad and now the short part is Lough Lane. The list of names is most interesting. Isaac Thomson's name does not have a "p" but on later printed documents it does. It's possible that there was someone who signed legal documents for people who couldn't write their signature did it for him and others. I haven't solved this mystery yet. There are also three Gibbs on the list.

Since Eli Wilson died in 1812, I think his Inn was inherited by a son and sold. Then it eventually was purchased by DuPont. It has become meadowland and river beach again with a good view of Pennsylvania.

( I had a tour last year with Caitie D. )

According to the will, it looks like he owned a lot of land along the river. What's interesting is that the wives could apparently own land. They lost this right and the right to vote around 1807. I think the islands were used for grazing and have since been dredged away.

The money listed at the end would be about \$350,000.00 now.

### Friendly Reminder Maintain Your Property

Your home adds to the beauty of the community, so make the area around it as welcoming as possible by filling pots with flowers and keeping the grass cut and bushes trimmed. In addition, offer to help others with their yards who may not have the resources or ability to do so.

The Township of Greenwich has established ordinances and codes concerning property maintenance of all properties within the township.

#### Chapter 242. Brush, Weeds, Snow and Ice

##### 242-1. Removal of snow, grass and weeds.

The owner or tenant of any lands abutting upon the public highways of Greenwich Township shall remove all snow and ice from the sidewalks and to the width of one foot out to the gutters in front of their said lands within 12 hours of daylight after the same shall fall or be formed thereon, and shall remove all grass, weeds and impediments therefrom within three days after notice to remove the same.

##### 242-2. Prohibition of obnoxious growths or substances.

[Amended 4-2-1990 by Ord. No. 4-1990; 11-4-2002 by Ord. No. 26-2002; 12-7-2009 by Ord. No. 28-2009]

**A.** No person, including any individual, firm, partnership, association, company, organization or corporation of any kind owning or renting property within the Township of Greenwich, shall permit brush, weeds, dead or dying trees, stumps, roots, obnoxious growths, including tall uncultivated grass and weeds, vegetation, filth, garbage, trash or debris to exist on any real property within the Township of Greenwich.

**B.** All lawns, hedges, shrubs, bushes, weeds and growth or vegetation or any kind shall be kept trimmed and shall not be permitted to become overgrown, and no grass or weeds shall be permitted to grow to a height in excess of six inches.

#### IPMC Code.

**302.4 Weeds.** All premises and exterior property shall be maintained free from weeds or plant growths in excess of six (6) inches. All noxious weeds shall be prohibited. Weeds shall be defined as all grasses, annual plants and vegetation, other than trees or shrubs provided; however, this term shall not include cultivated flowers and gardens.

# Hometown Heroes Banner Program

Dear Neighbor:

As you may have noticed in May, we have begun a project to install Banners on all light poles down the Broad Street corridor of town. The project calls for honoring our Hometown Heroes, to honor our local men and women actively servicing, or who have served in our Armed Forces.

Our plan is to display our honorees on banners throughout the Broad Street corridor on brackets, during the month of November. Each banner will display a military photo, name of the honoree, highest rank, branch of service, military campaign (WWI< WWII etc.) Date of Birth, and date of death, if need be. All honorees would need to be a current resident of Greenwich Township (Gibbstown) or HOR of Greenwich Township when they enlisted into the Armed Forces. The cost is \$250.00- each.

As a joint venture, The Anthony T. Calista VFW Post 5579, and the Township of Greenwich split the cost of the first nineteen banners honoring the servicemen killed in action, who were residents of Gibbstown.

**We would now like to open this wonderful program to our residents, so that they may honor their own family members, from Gibbstown who have served in the armed services, or, who are currently serving. We would encourage you to purchase a Banner on behalf of your family member and/or loved one, and Honor them at the cost of \$250.00, -providing a photo in their military uniform and the attached application. Or you may just want to support this great cause, which also includes the beautification of the center of our town, by contributing towards it. Either way, provide the information needed along with your check, or money order made payable to the Gibbstown VFW, and mail to the Township of Greenwich Municipal Offices, 420 Washington Street, Gibbstown, NJ 08927, to the attention of Vicki Antonini. The deadline to submit your applications is August 30, 2025.**

Let's unite as a community and express our gratitude for the sacrifices each honoree has made to our country.

Thank you for your generous support.

Sincerely,

Gibbstown VFW Post 5579

Newly elected Councilman Lee Campbell was sworn in to his first term on Greenwich Township council on January 6, 2025 with his wife Jennifer and Gloucester County Deputy Director, Commissioner Jim Jefferson. Congratulations!

Councilwoman Wanda Tranquillo was sworn in by Elk Township Mayor Carolyn King-Sammons to her second term on Greenwich Township Council on January 6, 2025 surrounded by her family. Congratulations!

## Water Tower Update

After more than a year of planning, we have finally reached the home stretch of the much needed Water Tower Painting and Refurbishing project. Our water tower will see a fresh new look with a red white and blue American flag inspired graphic design in the shape of a G with the word GIBBSTOWN printed above it. We are very pleased to report that we have secured all of the funding needed to cover the \$1.4 million improvement expense and were able to do this with no increases to our water rates. As of January 2025, we have accepted bids and awarded both contracts for the painting and for the temporary tanks and pumps that will be needed to provide water while the water tower is out of service. We anticipate the water tower will be emptied and placed out of service for 2 months. During this time, we will be blasting and painting and doing any fabrication/welding that maybe needed. Weather permitting, we will hopefully see the project begin in March/April of 2025 and completed before the summer months, when we usually see a higher demand of water usage. During the actual time that the water tower is removed from service, the town may or may not have to impose water restrictions depending on the demands placed on the system.

For residents looking to reduce their household waste and become better recyclers, look no further than the Recycle Coach app now available in the Township of Greenwich.

The Township of Greenwich is excited to join the Recycle Coach network, which will transform how we communicate local collection waste, and recycling information to our residents. Beyond that, the platform includes engagement and educational tools to help people manage and correctly dispose of their waste.

Residents can access Recycle Coach from their desktop computers, mobile devices, or through digital assistants like Amazon Alexa and Google Home. By leveraging the power of voice technology, the platform makes it easy for people to get local disposal information for thousands of household items when they need it. And it's absolutely free.

With Recycle Coach, residents can:

- Stay organized with custom curbside collection and events calendars
- Receive collection reminders and real-time updates on service disruptions
- Become recycling experts with a comprehensive "What Goes where?" search tool, including local disposal information and collection requirements for common and uncommon items
- Take the "What type of Recycler Are You?" quiz for useful recycling tips and tricks
- Use the problem-reporting tool, equipped with geolocation, to notify municipal customer services about issues like missed collections

Ultimately, the service takes the guesswork out of recycling, empowering residents to make smarter disposal decisions and take an active approach to reducing household waste. For the Township of Greenwich this will translate into higher recycling rates and less contamination in our recycling stream – a win-win for everyone.

Become a better recycler today by down loading the Recycle Coach app for free at the App Store, on your i-phone or, Google Play.
